UNITY in the COMMUNITY - Our mission at "Fire in the Field" is to exalt Christ, encourage Christians and unite churches. If we ever needed a move of God in Cambridge and our country it is now! We are bringing races and denominations together! A divided Church cannot help or heal a broken country. Our message is that Jesus is the only way to Heaven (Acts 4:12) and our sole purpose is souls. Our mandate is to preach the Gospel and see souls saved! The 2,000-seat canvas cathedral will be in Cambridge, MD this (Sunday-Thurs) and admission is FREE! We are thrilled that clergy and churches are coming together to lift up the Lord. Bring your entire church family and all your friends. Last week, at the "Fire in the Field" in Georgetown, DE we had thousands attend and on the last night over 400 walked the aisle making decision for Christ. Time is running out and people need the Lord. Visit www.FireInTheField.org
